John Nelson, PGA Golf Instructor Joins The Country Club of Coral Springs Pro Staff

Coral Springs, FL (October 21, 2011) – The Country Club of Coral Springs proudly announces the addition of John Nelson, renowned South Florida golf instructor and PGA Class A Professional, to its staff. As Director of Golf Instruction, Nelson will provide private/group golf lessons, clinics, and direct the newly established Golf Academy.

“The Country Club of Coral Springs has been a staple in the South Florida golfing community for over 40 years.” said Nelson. “I’m pleased to be part of the positive changes that have been taking place at the club over the last several months. The Golf Academy is yet another addition to the new and improved golf course, tennis, and club facilities.”

The Golf Academy currently offers on course instruction, driving range practice facilities, and short game schools. As a semi-private club, instruction is open to all. “Whether you are a seasoned player, or new to the sport, The Country Club of Coral Springs Golf Academy can help you improve every facet of your game.” said Nelson.

The Country Club of Coral Springs General Manager and Director of Golf, Bill Friesing, (also a PGA Class A Professional), is thrilled to have John Nelson join the staff. “Besides being a nationally talented player, John has been selected many times as one of the premiere golf instructors in Florida.”

With over 25 years in the South Florida golfing community, Nelson has held many prestigious golf positions and received numerous honors, such as president of the South Florida PGA, *Golf Magazine* and *Golf Digest* “Top Teachers in Florida,” volunteer coach for local Coral Springs High School golf teams, and a South Florida PGA and Broward County Junior Golf Association Hall of Fame Inductee.

“I’ve taught all skill levels and I’m very proud to be a part of the careers of several select Coral Springs residents who have achieved success as golfers.” Nick and Curtis Thompson, Jonathon Vion, LPGA tour players Lexi Thompson and Nichole Hage are among those stand-outs Nelson has instructed.
