Dear Bernie,

Our gala was a wonderful success! We grossed over \$24,000 and you helped make it happen!

On behalf of the SNC, I would like to extend our sincere appreciation for your sponsorship of the event. We worked very hard at keeping our expenses down. We expect our final numbers to show that \$20,000 went directly to help us provide wonderful care for the many animals and birds brought to us sick, injured or orphaned. You are also helping us to provide environmental education to our youth to create the next generation of caregivers.

Thank you for being such a wonderful friend to SNC and to the wildlife of South Florida. Without caring people like you, we just could not do it!

Sincerely,

Dorothy M. Molski
Executive Director
